Who are we?

At Bank of Melbourne, we understand that everyone has the will. The will to be happy, to be there for ones they love, to try something new. The will to get a place of their own or be their own boss. Sometimes what's missing is the way. That's where we come in. A city and state as progressive as ours deserves a bank that shares the same values.

As your local bank, our team will work with you to find the way forward. We want to see your ambition – modest, medium or sky-high – become a reality. We do this through our dedication to customer service, and by being small enough to get to know you so we can plan together.

Why Bank of Melbourne?

Interest offset.

There are many benefits to your clients 'offsetting' their savings against their home loan. They have the flexibility of accessing their money when they need to, reduce their interest and pay off their home loan sooner. Multiple offsets available.

Fast tracked self-employed.

Self-employed borrowers with 2 years ATO Notice of Assessments (NOA) can fast track their home loan applications (where all pages of NOA are supplied and no negative gearing or add-backs are required).

A package deal.

Interest rate discounts and fee savings are some of the benefits of our Advantage Package (\$395 annual package fee)¹.

Upfront valuations.

Offer your clients more with our upfront valuations service.

Common debt reducer.

This can be used to assist your clients' borrowing capacity when they have a joint debt with someone not party to the new loan.

Home Loan Redraw.

Our redraw feature could give your clients same day access to their surplus funds.

Free property reports².

Discover what your clients need to know about the property trends in a suburb or the estimated value of a property they're looking to buy.

First home buyers.

Buying a first home is an exciting time for your clients, but it can also feel a little overwhelming. Our range of tools and product features can help them with everything they need to bring their dream home to life.

Family Pledge.

Your client's parents could use the equity in their home to help your client on their home buying journey (conditions apply). Please ensure your clients and their parents understand the risks and exclusions associated with guarantees. Guarantors will be required to seek independent legal advice before offering to guarantee a loan.

First Home Owners Grant (FHOG) monies accounted for at land settlement.

Assisting your clients by reducing their required contribution at land settlement.

Rent as genuine savings.

For clients that do not have proof of genuine savings, we accept 6 months of rental payments as a form of genuine savings (conditions apply).

Fully assessed conditional approvals.

Giving your clients confidence to make purchasing decisions.

Construction.

With a Building Loan, your clients are able to draw down funds in stages as their home is being built, and only pay interest on the amount advanced on the loan. We can also help with the scheduling and identifying expenses, so payments are made to the builder after each stage.

Casual income assessment.

Annualised over 48 weeks for applicants who are casual employees (excludes casual teachers or other casual school staff).

In-house Lenders Mortgage Insurance (LMI).

Helping with swift and consistent approvals.

Next home buyers.

If your clients are ready to buy or build their next home, there's a lot for them to consider. Whether they are upgrading or investing, we're able to provide the guidance and flexibility to take some of the pressure off their next move.

Relocation loan.

This loan can remove the stress of timing the purchase or construction of a new home. Your clients could buy or build a new home before selling their existing home.

Top it up.

Your clients' grand plans to renovate or redecorate could come to life with a home loan increase (credit criteria applies).

Move home, but keep the loan.

A portable home loan gives your clients the flexibility of being able to transfer their home loan to a new property without the expense of setting up a new loan.

Refinancers.

Whether they're looking to save money, or feel that their home loan no longer meets their needs, we can make refinancing as quick and simple as possible.

FASTRefi®.

With FASTRefi®, your clients could refinance within days of loan approval and the loan offer documents being signed. No settlement booking is required, there is no extra cost to the borrower and once the documents are returned and certified, the loan could settle within 5 business days (conditions apply).

Redraw.

If your clients have made extra home loan repayments, the redraw feature gives them same day access to their surplus funds (bank approval required).

Consolidating debts.

Your clients could roll any debts they have such as credit cards and personal loans into their home loan. Not only could they pay a lower interest rate, they can also take the hassle out of having to manage several repayments.

Investors.

There's a lot to consider when buying an investment property. Our range of products and tools will give your clients the confidence to make the right decisions.

Fixed Rate Home Loan.

Making it easier for them to budget, a fixed rate will give your clients certainty. Plus, we also offer the ability to make additional repayments up to \$30,000 for the entire fixed rate period (for loans originated after 18 August 2019).

Interest in Advance.

This repayment option offers an additional interest rate discount for paying interest in advance for your clients with a Fixed Rate Investment Loan.

Portfolio Loan.

This line of credit gives investors greater flexibility on their loan repayments and allows them to better utilise the equity in their property. Your client can use their equity to renovate, invest or fund those unexpected expenses.

Foreign Income.

Foreign income accepted up to 70% LVR (conditions apply, see policy for more info).

Company & trust borrowers (non trading entities).

We'll accept company & trust borrowers where they are non trading entities. For trading entities, please speak to your Business Banking Business Development Manager (BDM).

Building.

Building your own home can be a little overwhelming but with a Bank of Melbourne construction loan, your clients are able to draw down funds in stages helping them manage the progress and their budget.

Borrow up to 95% LVR for Owner Occupied and 90% LVR for Investors (including LMI, fees apply).

Available on our Advantage Package¹ (\$395 annual package fee) where your clients could fix their land portion or have flexibility with variable repayments.

Owner builder.

Owner builders could borrow up to 60% LVR.

Rent as genuine savings.

This repayment option offers an additional interest rate discount for paying interest in advance for your clients with a Fixed Rate Investment Loan.

Interest Only repayments during construction.

Helping your clients budget when your clients are building their new home.

First Home Owners Grant (FHOG) monies accounted for at land settlement.

Assisting your clients by reducing their required contribution at land settlement.

Dedicated Progress Payments Team.

Ensuring you and your clients are supported all the way.

Our impact on the wider community.

Bank of Melbourne Foundation supports local charities and programs that deliver sustainable benefits to Victorian communities.

The Foundation allocates cash grants in funding rounds with a focus on charities that receive little or no government funding.

Since launching in 2013, the Bank of Melbourne Foundation has granted in excess of \$4.4 million to charities across Victoria. With the generosity of Bank of Melbourne partners, suppliers, customers and dedicated staff, we have been able to grant funds to Victorian charities who are delivering impactful programs addressing a variety of issues that are affecting the lives of Victorians. Every dollar we receive is given straight back to these charities. We believe that we can all make a difference in our local communities.
