Part one – Amplify Rewards for Amplify Business Credit Cards Terms and Conditions.

General.

1. When do these terms and conditions apply?

These terms and conditions set out in clauses 1 to 20 of Part 1 of this document (“Amplify Rewards for Amplify Business Credit Cards Terms and Conditions”) govern the use of your Cards where you have elected to link your Card Account to Amplify Rewards.

You (and, if applicable, any Additional Cardholder(s)) are automatically bound by these terms and conditions when either:

- (a) you (or your Additional Cardholder(s)) first sign a Card, activate a Card or authorise a transaction on your Card Account after we have approved your application for a Card which you have chosen to link to Amplify Rewards; or
- (b) we process your request to switch the rewards program to which your Card(s) and Card Account is linked from Amplify Qantas to Amplify Rewards.

You agree that these terms and conditions apply to any Amplify Points you earn using your Card or Card Account. You may only link your Card Account to one rewards program at a time and all Cards issued on your Card Account must be linked to the same rewards program.

Your use and the operation of your Card is also subject to separate conditions of use provided when we approved your Card (“Conditions of Use”). Should you like an additional copy of these Conditions of Use, please contact us on 13 22 66, 24 hours a day, 7 days.

2. Switching between Amplify Rewards and Amplify Qantas.

2.1. Your ability to effect a Program Switch from Amplify Qantas to Amplify Rewards and vice versa is governed by the following:

- (a) An Account Owner may switch the Card Account between Amplify Qantas and Amplify Rewards at any time and any number of times, subject to the time it takes us to process each request;

- (b) You should allow at least 10 business days for a Program Switch to be processed. Any points earned during the period between the request for a Program Switch and the date the Program Switch occurs will be earned in the rewards program you are switching from;
- (c) When a Program Switch is processed, the change in rewards program will apply to all Cards linked to a Card Account;
- (d) We will write to you, as the Account Owner within 10 business days of our processing a Program Switch to confirm the new rewards program to which your Card Account is linked; and
- (e) Any residual Amplify Points will be subject to forfeiture if not redeemed within 90 days from the date the Program Switch occurs.

When you switch from Amplify Qantas to Amplify Rewards.

- 2.2. When you switch your Card from Amplify Qantas to Amplify Rewards, the terms and conditions of Amplify Qantas and of the Qantas Frequent Flyer program will continue to apply to the Qantas Points you have already earned through Amplify Qantas.
- 2.3. Qantas Points cannot be earned on a Card or Card Account once a Program Switch to Amplify Rewards has been processed. You can continue to earn Qantas Points earned on another eligible Card Account linked to Amplify Qantas when that account is in your name or held jointly by you with someone else, in accordance with the Amplify Qantas for Amplify Business Credit Cards Terms and Conditions.
- 2.4. You cannot combine your Qantas Points earned by use of a Card or Cards within Amplify Qantas with Qantas Points earned on another account in someone else's name.
- 2.5. Points cannot be combined/transferred from Amplify Qantas to Amplify Rewards under any circumstances.

When you switch from Amplify Rewards to Amplify Qantas.

- 2.6. When you switch your Card from Amplify Rewards to Amplify Qantas, the terms and conditions of Amplify Rewards will continue to apply to the Amplify Points you have already earned through Amplify Rewards.
- 2.7. Amplify Points cannot be earned on a Card or Card Account once a Program Switch to Amplify Qantas has been processed. You can continue to earn Amplify Points earned on another eligible Card Account linked to Amplify

Rewards when that account is in your name or held jointly by you with someone else, in accordance with the Amplify Rewards for Amplify Business Credit Cards Terms and Conditions.

- 2.8. You cannot combine your Amplify Points earned by use of a Card or Cards within Amplify Rewards with Amplify Points earned on another Card Account in someone else's name unless you are a Joint Owner of that other Card Account.
- 2.9. Points cannot be combined/transferred from Amplify Rewards to Amplify Qantas under any circumstances.
- 2.10. Any residual Amplify Points remaining in your Amplify Rewards Account prior to the date the Program Switch occurs will be subject to forfeiture if not redeemed within 90 days from the date of processing of the Program Switch.

3. How does Amplify Rewards work?

- 3.1. As an Account Owner, you'll automatically be provided access to Amplify Rewards via Bank of Melbourne Internet or Mobile Banking. The first time you access your Amplify Rewards Account, you'll be required to provide your email address, which will be used for the management of your Amplify Rewards Account, including confirmation of any redemption and administration or notifications for your Amplify Rewards Account.
- 3.2. Subject to the exclusions set out in clause 4.4, under Amplify Rewards, Amplify Points are earned whenever goods or services are purchased using a Card or the Card Account. Amplify Points are generally credited to the Amplify Rewards Account the next business day after the transaction has been processed to the Card Account.
- 3.3. You may convert all or some Amplify Points held in the Rewards Account to rewards that Amplify Rewards may offer from time to time and for which you qualify.
- 3.4. Additional Cardholders on your Card Account earn Amplify Points by use of their Card or the Card Account subject to these terms and conditions. However, Additional Cardholders cannot redeem Amplify Points or access account information.

4. How do you earn Amplify Points?

4.1. Amplify Points earned are calculated on the number of Australian dollars charged to the Card Account in connection with purchases of goods or services (including any GST payable in respect of the goods or services) from Merchants accepting your Card.

You earn points on the following basis:

- 1 Amplify Point for every \$1 spent on eligible purchases at any Australian merchant;
- 2 Amplify Points for every \$1 spent on eligible purchases at any Overseas merchant; and
- 0.5 Amplify Points for every \$1 spent on Government Payments.

4.2. You may also earn bonus Amplify Points per dollar spent from time to time for using your Card or Card Account to acquire goods or services. There is no limit on the number of bonus points you can earn in any statement cycle.

You may also earn additional bonus Amplify Points in connection with special promotions offered from time to time. You may use those additional bonus Amplify Points to redeem rewards. The conditions applying to those will be advised at the time of the promotion.

4.3. We may change the way you earn Amplify Points from time to time, including by introducing new ways of earning Amplify Points or by changing existing ways of earning Amplify Points. We will give you reasonable prior notice (of at least 30 days) if we wish to remove existing ways of earning Amplify Points or change the way you earn Amplify Points.

4.4. While Amplify Points are earned when you purchase goods and services, please note that Amplify Points are not earned in respect of the following amounts that may be charged to your Card Account:

- government charges (other than GST payable in connection with the purchase of goods or services on which you earn Amplify Points);
- interest and other bank fees and charges (including any GST payable on any of these);
- cash advances (any transaction treated by us as a cash advance as further explained in the “Definitions” section – clause 19 below);
- balance transfers;
- BPAY® payments, i.e. bill payments and other payments made through the BPAY Electronic Payments Scheme.

Also, if you (or an Additional Cardholder) return any goods or services purchased with the Card or Card Account, or your Card Account is credited in connection with a disputed transaction, we will adjust the Amplify Points total earned by deducting any Amplify Points, which were earned in connection with the original or disputed transaction.

5. When we will not award Amplify Points or fulfil a reward claim?

- 5.1. You do not earn Amplify Points and Account Owners may not redeem Amplify Points for a reward, if the Card Account is in arrears for two consecutive Card statement cycles. The Card Account must be brought up-to-date by paying the arrears before you can recommence earning Amplify Points or a reward can be redeemed.
- 5.2. You are not entitled to Amplify Points (and we may correct the Amplify Rewards Account points record by deleting Amplify Points invalidly awarded) if:
 - Bank of Melbourne cancels your Card or terminates the Card Account;
 - there is fraud on the Card Account; or
 - you do not comply with any of your important obligations under the Terms and Conditions of your Card Account (including making sure you do not exceed your authorised credit limit).

6. How long do you have to use your Amplify Points?

- 6.1. Your Amplify Points will not expire while the Card Account remains open but in some circumstances set out in these terms and conditions, an Account Owner may not be entitled to them or be able to claim rewards (and we may correct your Amplify Points record by deleting any Amplify Points invalidly earned).
- 6.2. If the Card Account is closed or the rewards program to which your Card and Card Account is linked is changed from Amplify Rewards to Amplify Qantas, all Amplify Points standing to the credit of the Rewards Account must be used within 90 days from the date of the letter advising you that the account is closed or notifying you of the Program Switch. The Account Owner(s) will not be able to use the Amplify Points remaining unused after that period to claim rewards.

6.3. In the event of an Account Owner's death:

- (a) on receipt of notice of the Account Owner's death within six months of their death, we will automatically convert the Amplify Points in the Rewards account to a credit to the Card Account at the rate set out on your Amplify Rewards Account, and close the Rewards Account.

These terms and conditions will apply to the redemption, with the exception that no minimum points balance will apply.

Where notice of the deceased Account Owner's death is not received within 6 months of the Account Owner's death, the Amplify Points in the Rewards Account will be forfeited and the Rewards Account closed.

6.4. We may discontinue Amplify Rewards at any time at our discretion. Should we discontinue Amplify Rewards, we will notify you and advise Account Owner(s) of the period during which they may convert the Amplify Points in the Rewards Account to rewards.

We will give Account Owners at least 90 days from the date we tell you that Amplify Rewards is discontinued to use Amplify Points in the Rewards Account.

After Amplify Rewards is discontinued, Amplify Points will no longer be earned using the Card or the Card Account.

7. What are the rewards?

7.1. The rewards available through Amplify Rewards at any time are set out on your Amplify Rewards Account which can be accessed via Bank of Melbourne Internet or Mobile Banking or by calling the Amplify Rewards Centre on 1300 600 266.

7.2. All rewards are subject to availability and substitutions may be necessary. We will only substitute rewards where we reasonably consider they are comparable.

7.3. All rewards are subject to the specific conditions on which the provider of the reward makes the reward available, these may change. If there is any inconsistency between them and these terms and conditions, the specific conditions prevail.

8. How do you claim a reward?

- 8.1. Only the Account Owner may claim rewards—Additional Cardholders may not claim rewards.
- 8.2. If you are an Account Owner, you may claim a reward if there are sufficient Amplify Points in your Amplify Rewards Account at the time of your claim, or you can use the Points Plus Pay option when you have a minimum of 3,000 Amplify Points. The number of Amplify Points required for each reward is available on your Amplify Rewards Account or by calling the Amplify Rewards Centre. You can only select rewards current at the time you claim a reward. You must have earned at least 3,000 Amplify Points before you can claim a reward.

Your Amplify Points can be combined with Amplify Points earned on another eligible Amplify Card Account when the account is in your name or you are a Joint Account Owner of that second Amplify Rewards Account. You cannot combine your Amplify Points with Amplify Points earned on an account in someone else's name.

- 8.3. If you are an Account Owner, you can claim a reward by calling the Amplify Rewards Centre, or through your Amplify Rewards Account, which you can access through Bank of Melbourne Internet or Mobile Banking. For rewards, which are delivered, you should allow five business days for reward vouchers and ten business days for other rewards to be dispatched from the time you make your request for delivery of your reward. We will arrange for your reward to be delivered to the address you confirm at the time of making your redemption. The delivery address cannot be a PO Box unless the reward is a reward voucher. Where there is a delay in delivery we will notify you and provide you with the option to change your reward. You may be charged for delivery of your rewards. We will tell you about the delivery charges before they are incurred. We may require that reward vouchers for a relatively high value and certain other rewards are couriered rather than posted. We will let you know where this is the case and will require you to pay the courier charges.

Neither we, nor our agents are responsible if a reward (including a reward voucher) is lost, stolen or damaged after it has been dispatched for reasons beyond our reasonable control.

If your Card Account is closed, or you switch into a rewards program other than Amplify Rewards, it may affect the way that you redeem Amplify Points and/or the rewards available for redemption. For example, you may need to redeem your Amplify Points through the Amplify Rewards Centre rather than via Online Banking.

8.4. Airline loyalty program points conversions – if you are a member of an airline loyalty program participating in Amplify (and you are an Account Owner) you may convert Amplify Points to your nominated participating airline’s loyalty program points. You should allow at least three business days for your Amplify Points to be converted to the airline’s loyalty program points or the time frame advised at the time of conversion.

We will tell you which airlines are participating in Amplify Rewards from time to time. For details, contact the Amplify Rewards Centre or go to your Amplify Rewards Account.

The terms set out below also apply to airline loyalty program points conversions:

- (a) You must be a member of the airline loyalty program for the participating airline you nominate to convert points earned in Amplify to the points of that airline. You can convert Amplify Points earned by you or Additional Cardholders but cannot convert to the airline loyalty program account of an Additional Cardholder.
- (b) You can convert Amplify Points to an airline loyalty program account in your name only.
- (c) Amplify Points may be converted to points in a participating airline’s program, based on the current points exchange rate parity for that particular airline:
 - one Amplify Point converts to 0.5 airline loyalty program points in the airline loyalty program programs of Singapore Airlines KrisFlyer program and Velocity;
 - the airlines that are participating in Amplify Rewards are: Singapore Airlines’s KrisFlyer program and Virgin Australia’s Velocity program. Please check your Amplify Rewards Account for details of when Amplify Points conversion in each airline loyalty program will be available.
- (d) Airline loyalty program points cannot be converted to Amplify Points.
- (e) You must have earned a minimum 3,000 Amplify Points before you can convert them to airline loyalty program points and you may only convert Amplify Points to airline loyalty program points in set minimum increments – you can obtain details of these on your Amplify Rewards Account.
- (f) Once you have converted Amplify Points to airline loyalty program points:
 - you cannot convert them back to Amplify Points;

- the airline loyalty program points are not subject to these terms and conditions; and
- the airline loyalty program points are subject to the rules and terms and conditions of the applicable airline's program.

- (g) Only whole airline loyalty program points can be converted using your Amplify Points.
- (h) Membership of the applicable airline loyalty program is subject to the rules and terms and conditions of that airline loyalty program.
- (i) You may not supplement Amplify Points with cash to enable you to claim airline loyalty program points.

8.5. **Travel** – you may redeem Amplify Points for travel. Travel rewards may include flights, tours, car hire, hotel accommodation or a combination of these. These rewards may be offered by the travel provider who is a redemption partner. Please note that all travel bookings are subject to availability. Alternatively, you may call Amplify Travel by using the Amplify Card Service number on the back of your Card and redeem Amplify Points directly for any travel bookings able to be booked by Amplify Travel as a licensed travel agent.

8.6. **Reward vouchers** – you may redeem your Amplify Points for reward vouchers which the Amplify Rewards Centre will send you. Reward vouchers are to be redeemed with the reward provider specified on the reward voucher. If the reward voucher contains an expiry date, it cannot be used after that time and Amplify Points will not be recredited to you if you do not use a reward voucher. Rewards vouchers cannot be redeemed for cash, cheques, money orders or other payment instruments.

8.7. **Charity donations** – you may redeem your Amplify Points for a donation to a participating charity. You should make your own inquiries with your tax advisor as to whether such a redemption gives rise to any tax deductions.

8.8. **Merchandise rewards** – you may redeem your Amplify Points for specified merchandise. The Amplify Service Centre will arrange for these rewards to be delivered to you.

8.9. **Points Plus Pay option** – if you have insufficient Amplify Points to enable you to redeem a particular reward, in the case of certain rewards, you may pay an additional amount for the portion of the reward not covered by your Amplify Points earning to redeem that reward. This is known as the Points Plus Pay option.

We will determine when and how that top up option is available at any time. You can contact the Amplify Service Centre for further details.

The Points Plus Pay option will not be available to redeem rewards which are airline points, banking rewards, and BT Super For Life.

- 8.10. **You cannot cancel a reward claim (subject to clause 7.3)** – if you claim a reward, you cannot change or cancel that claim nor can you exchange or return a reward to obtain a recredit of the relevant Amplify Points because you change your mind.
- 8.11. **Order of Amplify Points redemption** – when Amplify Points are redeemed for rewards, they are redeemed in the order in which they were earned, so that the oldest Amplify Points in the Amplify Rewards points record are redeemed first whenever you claim a reward.
- 8.12. **Changes to Amplify Points redemption** – we may change the way you redeem your Amplify Points from time to time, including by introducing new ways or changing existing ways of redeeming Amplify Points. We may also change the way you redeem your Amplify Points according to the type of Card that was used to earn those Amplify Points. See clause 17 below for how we notify you of changes.

9. Who is responsible for the rewards?

We are responsible for ensuring that the rewards are made available to you as set out in these terms and conditions.

Our liability to you in respect of any rewards or goods or services redeemed using your Amplify Points is set out in section 15.

Neither we nor our agents are responsible if you cannot claim or redeem a reward for reasons beyond our or any of our agents' reasonable control (including but not limited to lost/stolen rewards, industrial disputes, insolvency, flood or earthquake, war or civil disturbance, acts of terrorism, aircraft unserviceability or unavailability, or the failure of a redemption partner to honour its obligations under Amplify Rewards for any reason). However, in these circumstances, where your Amplify Points have not been converted, you may claim an alternative available reward.

10. How do you keep track of your Amplify Points and reward entitlements?

- 10.1. You, as an Account Owner, will receive a monthly Amplify credit card statement showing the Amplify Points that have been credited to your Amplify Points balance during that Amplify statement period and any Amplify Points you have used to claim a reward during the period covered by the Amplify statement.
- 10.2. You, as an Account Owner, will receive a quarterly email communication on your rewards account, where you have provided an email address and have not chosen to opt out of this communication.
- 10.3. You, as an Account Owner, may also access a detailed record of your rewards account on your Amplify Rewards Account, listing all Amplify Point earning transactions in the previous 90 days and a listing of all redemption transactions completed against the account selected.
- 10.4. You, as an Account Owner, may also access your available Amplify Points balance on the account details page on Internet Banking.
- 10.5. New Amplify Points are generally updated to the Amplify Rewards Centre each business day for transactions processed to your credit card account on the previous business day.
- 10.6. Amplify Points can be used to claim rewards as soon as they have been processed and have been added to the Amplify Rewards Account points record.
- 10.7. You should contact the Amplify Rewards Centre if you have any questions about the details of your Amplify Points on your Amplify Rewards Account. If you think you are entitled to more points than the Amplify Credit Card statement shows, you must also send copies of the relevant sale receipts or the Card statement showing the transactions for which you believe you are entitled to additional Amplify Points.
- 10.8. We may adjust your total Amplify Points (backdating the adjustment if necessary) if Amplify Points have been incorrectly credited or debited for any reason.

11. How do we communicate with each other?

12. Amplify Points themselves do not have monetary value.

Amplify Points are not property and do not have any monetary value except in respect of the value assigned to them under the Amplify Rewards program. Amplify Points and rewards may not be transferred, sold, bequeathed or inherited (except as set out in clause 6.3).

Amplify Points can only be redeemed for rewards and are not convertible into cash except as otherwise notified by us. Amplify Points are just used to record the entitlement of Card Owners to claim a reward.

13. Your responsibility to pay any costs.

Account Owners are responsible to pay or reimburse us or Bank of Melbourne for any tax liability (including any GST that may be payable), stamp duty or other duty or government charges or airport related charges in connection with the receipt of Amplify Points or a reward.

We are not aware of any individual's particular circumstances and therefore cannot provide any taxation advice in relation to any Card or Card Account. No clause in these terms and conditions should be construed as a statement as to the taxation consequences or taxation treatment of any

aspect of your Card or Card Account. In addition, we draw your attention to Practice Statement PS LA 2004/4 (GA), which outlines as at the date of these terms and conditions, the view of the Commissioner of Taxation in relation to the circumstances when rewards provided under a consumer loyalty program may be subject to income tax or fringe benefits tax. As each individual's circumstances may vary, we recommend you seek independent advice regarding the tax treatment, if any, resulting from your use of your Card or Card Account or from your participation in Amplify Points earning or receipt of Amplify Points.

Amplify Points derived in connection with, or in relation to, any Card or Card Account, or any related fees and charges must not form part of any employment contract, or any consideration for any service between you and your employer.

We may introduce an Amplify annual membership fee or other fees in connection with Amplify Rewards. These fees would be in addition to your annual Card Fee. If we do, we will notify you by giving you reasonable prior notice (but at least 30 days).

14. What happens to information we collect about you?

You authorise us, any of our agents and the Amplify Rewards Centre to seek access to, collect and use information about you in connection with Amplify Rewards including:

- transaction or event information resulting in Amplify Points being credited or debited;
- the number of Amplify Points credited or debited;
- the number of Amplify Points you earn; and
- things you tell us or the Amplify Rewards Centre about Amplify Rewards.

We agree not to use or disclose that information except in connection with:

- administering Amplify Rewards;
- providing services and rewards relating to Amplify Rewards; or
- planning, researching and the promotion and marketing (whether targeted, direct or indirect) of our services and the goods or services of Bank of Melbourne or any other redemption partner.

You consent to us disclosing your information to any party to facilitate the above.

15. Disclaimer.

We, Bank of Melbourne and our agents are not liable for any loss:

- to the extent that it is caused by you (for example, through your negligence or breach of contract);
- to the extent that it results from your failure to reasonably mitigate your loss; or
- caused by events outside our reasonable control.

Our failure to enforce a term of these terms and conditions does not mean we waive that term.

16. Additional Privacy Acknowledgement and Consent.

In addition to the privacy acknowledgements and consents set out in the card application form, advised to you when you applied for the card and on bankofmelbourne.com.au/privacy/privacy-statement; you acknowledge that if you choose to link our Amplify Card(s) to Amplify Rewards, your personal information will be dealt with in accordance with the Amplify Rewards terms and conditions and the Bank of Melbourne Privacy Statement which is available at bankofmelbourne.com.au/privacy/privacy-statement

17. Changes to these terms and conditions and Amplify Rewards.

We may change these terms and conditions and other aspects of Amplify Rewards at any time. For example, we may:

- change the way you earn points;
- change the way you redeem points;
- introduce fees or vary fees we have introduced; and
- change the specific conditions on which awards are made available.

We'll provide at least 30 days prior notice of changes, unless we reasonably consider the change to be non-material in nature.

Any notices under this clause will be sent to your postal or email address last notified to us for your Credit Card statement.

We may transfer some or all of our rights and obligations under these terms and conditions to another person at any time. You agree that you consent to such transfer when you (or an Additional Cardholder) first sign a Card, activate a card or authorise a transaction on your account after we notify you of the transfer.

18. Termination.

We may terminate Amplify Rewards at any time.

We will notify you as soon as practicable of the termination and the time period in which you may use your Amplify Points to claim rewards (which will be at least 90 days from the date we tell you that Amplify Rewards is discontinued). If we terminate the program under this clause, we will provide you with a pro rata refund of any annual membership fees or other fees you paid us (if applicable) for participating in Amplify Rewards for the current membership year.
