Important update. Our Epping branch is closing.

Over the past several years, we've seen many changes to how our customers are banking. More of our Epping customers are choosing to do their personal and business banking online, via mobile app or by video appointments. With these changes, we've decided to permanently close our branch at Shops 112 & 112A Epping Plaza, Corner High & Cooper St, Epping VIC 3076 on 29 August 2025. Rest assured, we remain committed to helping you securely take care of your day-to-day banking needs – locally, at home, or on the go. Please read below for more details or contact Peter Young (State Operations Manager) on 0481 476 365 for any further support or information.

Why is the Epping branch closing?

Decisions to close branches are never made lightly. A number of factors are taken into consideration. For Epping there has been a change to the way our customers bank with us, with reduced over the counter transactions and more customers banking digitally. Cash transactions can be completed at the nearby Westpac Epping branch located in the same shopping centre.

*Regular branch visits is defined as visiting the branch 3+ times for the period 1 October to 30 September each year, based on the Group's financial year reporting.

**Transactions completed in 2020 v 2025

- we notify customers by mail who are connected to the branch or have regularly transacted at the branch (or the ATM) in the last 6 months
- we also send an additional SMS notification to those customers who have regularly transacted at the branch (or the ATM) in the last 6 months, where we have a mobile number on file.
