

Bank of
Melbourne

Important update. Our Fountain Gate branch is closing.

Over the past several years, we've seen many changes to how our customers are banking. More of our Fountain Gate customers are choosing to do their personal and business banking online, via mobile app or by video appointments, rather than in-branch. With these changes, we've decided to permanently close our branch at Tenancy 2105 Fountain Gate Shopping Centre, 352 Princes Hwy Narre Warren, VIC 3805 on 24 December 2024. Rest assured, we remain committed to helping you securely take care of your day-to-day banking needs – locally, at home, or on the go. Please read below for more details or contact Peter Young (State Operations Manager) on 0481 476 365 for any further support or information.

Why is the Fountain Gate branch closing?

Decisions to close branches are never made lightly. A number of factors are taken into consideration. For Fountain Gate, there has been significant decrease in in-branch transactions as our customers move to more accessible personal and business banking options. Cash transactions can be completed at the nearby Westpac Fountain Gate Branch located in the same shopping centre, 200m away.

*Regular branch visits is defined as visiting the branch 3+ times for the period 1 October to 30 September each year, based on the Group's financial year reporting.

How are customers banking with us?

Our customers are now using more flexible and accessible banking options instead of banking in-branch.

How we are communicating this change to our customers and the community

We know how important it is that we communicate with you and your community.

As well as providing this fact sheet in branch and online, here's what else we do once a branch closure is announced:

- we notify the local Members of Parliament and local councils of the location where the branch is closing
- we notify customers by mail who are connected to the branch or have regularly transacted at the branch (or the ATM) in the last 6 months
- we also send an additional SMS notification to those customers who have regularly transacted at the branch (or the ATM) in the last 6 months, where we have a mobile number on file.
