6. Internet banking terms and conditions.

Bank of Melbourne or its correspondents and/or relationship banks will not be liable for any negligence, delay or error in transit or transmission of Overseas Telegraphic Transfers. In the event of loss or damage directly or indirectly attributable to any such negligence, delay or error liability of Bank of Melbourne or its correspondents and/or relationship banks will be limited to the re-supply of the service, where such limitation is permitted by law. **Be advised that Overseas Telegraphic Transfers requested prior to 5pm will commence processing that business day and Overseas Telegraphic Transfers requested after 5pm will commence processing the next business day.**

In most cases involving Overseas Telegraphic Transfers requested prior to 5pm to overseas banks in major global financial centres, funds would normally be received by the overseas bank within 1-3 business days. For Overseas Telegraphic Transfers to other destinations, the time that funds become available from the overseas bank is subject to the practice of the correspondents and/or relationship banks. Bank of Melbourne may at its sole discretion utilise the services of any correspondents and/or relationship banks in order to effect the Overseas Telegraphic Transfer. We may receive commissions or other benefits from other financial institutions. Payment of the funds to the beneficiary is the responsibility of the correspondents and/or relationship banks, and the timing of payment is therefore beyond Bank of Melbourne's control. Charges may be levied by other banks and deducted from the Overseas Telegraphic Transfer.

The Bank recommends that a copy of the Request for Overseas Telegraphic Transfer details and the **Terms and Conditions** be printed and retained for your records in the event you require them in the future.
