Important notice.

Thank you for choosing us as your credit card provider.

We're notifying you of upcoming changes to the **Bank of Melbourne Amplify Signature Visa Card** and **Bank of Melbourne Amplify Platinum Visa Card**. Details of the changes are outlined below.

A cap on Amplify Qantas Points effective from 1 January 2022:

We will be introducing an annual limit on the amount of Qantas Points that can be earned on Amplify Signature and Amplify Platinum Cards which are enrolled in the Amplify Qantas rewards program. Details of the changes are outlined below:

| | Current earn rate¹ | Earn rate¹ from 1 January 2022 |
|---|--|--|
| Bank of Melbourne Amplify Signature Visa Card (Qantas Rewards) | 0.75 points earned per \$1 spent on eligible purchases ² uncapped | 0.75 points earned per \$1 spent on eligible purchases ² up to \$250,000 each year |

| | Current earn rate ¹ | Earn rate ¹ from 1 January 2022 |
|--|--|--|
| Bank of Melbourne Amplify Platinum Visa Card (Qantas Rewards) | 0.5 points earned per \$1 spent on eligible purchases ² uncapped | 0.5 points earned per \$1 spent on eligible purchases ² up to \$100,000 each year |

The annual Qantas Points cap resets on your January statement date each year.

There is no change to the Qantas Points earn rate for eligible spend. If you do exceed the annual cap within the year, you can continue to use your card as normal. While you will not earn Qantas Points for eligible purchases until the cap resets the following January, you'll still be able to earn bonus Qantas Points²

This change applies if you have selected the Amplify Qantas rewards program. It will not impact you while you are enrolled in the Amplify Rewards program but will apply if you switch to Amplify Qantas in the future.
