Buying a home is exciting and Bank of Melbourne now makes it even easier.

Often when you set your sights on saving for a deposit, many additional expenses crop up; Stamp Duty, legal costs, even moving and furnishing your new home can add to the financial burden. If you're trying to save a large enough deposit to avoid paying Lender's Mortgage Insurance on your home loan, it can be even harder.

Bank of Melbourne's Family Pledge option can help. Family Pledge makes it easy for a family member to guarantee part of your home loan - while having the peace of mind to set the guaranteed amount.

The result is that you could get into your home faster, with help from your family.

Bank of Melbourne Family Pledge in a nutshell

The guarantor can use their home's equity to guarantee part of their family member's loan.

There's no cash to pay and you choose the amount.

Request to release the guarantee when the Loan to Value Ratio requirements are achieved.

With Family Pledge, you can borrow up to the full purchase price of your new property. Keep in mind you will need additional funds to cover the costs associated with buying, such as Stamp Duty and legal fees.

Of course this depends on how much your family member is willing to guarantee, and you must be able to meet the repayments for the amount you wish to borrow.

How Family Pledge Works

Lender's Mortgage Insurance (LMI) is generally payable on loans where the Loan to Value Ratio (LVR) exceeds 80%. With Family Pledge, you are able to reduce or avoid the added cost of LMI, making the purchase of your home more affordable. Traditionally, when buying a new home or investment property, a LVR is calculated as follows:

$$\text{LVR} = \frac{\text{Loan Amount}}{\text{Property Value}}$$

For example:

If you wanted to borrow \$270,000 (to cover Stamp Duty and other costs, but not LMI) for a property valued at \$300,000.

$$\text{LVR} = \frac{\$270,000}{\$300,000} = 90\%$$

With an LVR of 90%, LMI is applicable, which is an added cost. However, if you were to add a Family Pledge guarantee of \$40,000 as additional security, the LVR on your loan reduces.

$$\frac{\text{Loan Amount}}{(\text{Property Value} + \text{Family Pledge amount})} = \text{LVR}$$

$$\frac{\$270,000}{(\$300,000 + \$40,000) \times 100\%} = 79\%$$

With a new LVR of 79%, LMI would no longer be required, which can be a significant saving.

Important Information for Guarantors

A guarantor is liable for the amount specified in the Family Pledge guarantee. Your ability to borrow may be reduced if you agree to act as a guarantor. You will need to read and understand the full terms of the guarantee and seek independent legal advice before signing it.
