**For variable rate loans**, amounts which you have prepaid under your agreement less than a month before a monthly repayment date cannot be redrawn until after that monthly repayment date has passed. However, you may not redraw an amount if it would result in the balance owing on your loan account exceeding the amount which would be owing if you had paid all scheduled repayments on time.

**For fixed rate loans**, redraw is only available for excess funds paid into the loan during the current fixed rate period up to the value of the prepayment threshold. Amounts prepaid in excess of the prepayment threshold are not permitted to be redrawn. This is the case even though your statement may show these amounts as advance repayments.

Redraw is not available for Super Fund and Senior Access Home Loans. This form is not used for Portfolio Loans.
