

Bank of
Melbourne

Loan Accounts.

Charges for specific
services and accounts.

Effective: 31 July 2019.

Fees stated are current as at the date of this brochure but may change from time to time. We will notify you of changes as required under the conditions of use for your account. Information on our current standard fees, charges and interest rates is available on request.

Nearly all financial services provided by the Bank will be "input taxed" under GST. This means that GST of 10% will not be added to the fee/charge for that service. There are a few services provided by the Bank which will be subject to GST of 10%. GST of 10% will be included in the fees and charges for these services after taking into account any cost savings arising from the introduction of the GST. Where applicable, the fees stated are GST inclusive.

Early repayment fees.

The calculation of early repayment fees is dependent on loan type and approval date. There are four types: early repayment fees, break costs, early termination fees and loan discharge fees. Please refer to the appropriate section that follows.

Fixed Rate loans.

Approved from 1 November 1996

Break costs ARE payable when wholesale market interest rates have fallen during the fixed rate period on your loan AND:

- you prepay the total amount owing on your loan; or
- you make prepayments in excess of the prepayment threshold (as defined in the loan terms and conditions); or
- the total amount owing on your loan becomes immediately due for payment because you are in default; or
- you change to another interest rate option (fixed or variable); or
- you change the repayment type.

Portfolio Loan discharge fees.

A loan discharge fee is payable when a Portfolio Loan or a Low Doc Portfolio Loan is discharged within 3 years of the settlement date and at any time during the first 3 years:

on Portfolio Loans Approved from 16 March 2003, where:

- A discounted or negotiated variable rate applied to any sub-account; or
- We made progress payments on a construction sub-account; and

on Low Doc Portfolio Loans Approved from 14 April 2008, where:

• A negotiated variable rate applied to any sub-account	\$1,000
